Happy
Valentines

February is a time when love is in the air! Students get excited about their friendships. Flowers and teddy bears are everywhere. Take this month as a reminder to tell others how much they mean to you. A smile and a kind word go a long way.

Valentine's Day Poem

Happy Valentine's Day

Mom and Dad, along life's path,
Your love has shone the way.
For the guidance you have given me,
I'm thankful every day.

You've always been great parents;
I'm so glad you both are mine;
Deep in my heart, you'll always be
My favorite Valentine.
